Dear Minoo,

I hope you are well.

I am writing on behalf of the Managing Committee and members of Calcutta Parsee Club to express our appreciation and gratitude for the wonderful show you put up for us on 4th October 2020.

Your mathematical prowess is unquestionable, your ability to connect with the entire age spectrum of your audience is uniquely wonderful, and your encouragement to one and all, irrespective of age, to embrace mathematics was truly inspirational.

We wish you the very best in all your endeavours, and we hope to host you in Kolkata someday soon, not just for more 'Mathemagic', but also, hopefully, for a few sets of Tennis.

With warm regards,

Ratan Postwalla
